Treasurer, Obama for America Campaign

Dear Mr. Nesbitt:

This firm represents William C. Herrle, Executive Director of the Florida Chapter of the National Federation of Independent Business. A campaign contribution was made to President Obama's 2008 Campaign from Mr. Herrle's wife, April Herrle (now known as April Salter), on or about April 7, 2008, in the amount of \$250. Ms. Herrle's contribution was incorrectly reported on the 2008 May Monthly Report, Page 1761 (filed May 20, 2008; Document Id 28991063001) as follows:

William Herrle
Name of Employer: NFIB
Occupation: Executive Director

That report is wrong and should be immediately corrected. Mr. Herrle made no such contribution.

While Mr. Herrle may be listed with Ms. Herrle on the top of the campaign check, Ms. Herrle actually made the contribution, signed the check, and listed on the check that her occupation is "Communications/PR Consultant." A copy of the contribution check (No. 5732) is enclosed for your information. Additionally, the Herrles were separated at the time Ms. Herrle made the \$250 contribution.

Please amend your 2008 May Monthly Report to accurately reflect that the contribution in question is attributed to April Herrle and that her occupation is listed as "Communications/PR Consultant" and not attributed to my client.
